

REMARKS

The application has been amended and is believed to be in condition for allowance.

Responsive to the restriction requirement, applicant provisionally elects, with traverse, Group II, drawn to a process of making a dispenser.

Withdrawal of the restriction requirement is respectfully requested.

The previously pending claims have been amended so that the package and process claims both relate to the same single general inventive concept under PCT Rule 13.1 as both sets of claims have the same or corresponding special technical features.

With respect to the Official Action stating that the two groups (package and process claims) do not both relate to welding and blow molding, this has been remedied. See amended claim 21, claim 31, and new claims 55-56.

New claims have been added which recite further features of the invention.

Withdrawal of the restriction requirement is solicited.

Allowance of all the claims is requested.

Please add the requisite fee of \$400 for 16 additional claims of any type added herewith, to Deposit Account No. 25-0120,

Should there be any matters that need to be resolved in the present application; the Examiner is respectfully requested to contact the undersigned at the telephone number listed below.

The Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 25-0120 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17.

Respectfully submitted,
